GROWING THE FUTURE

ONE ACRE FUND

Why settle for any avocado when you can have the creamiest, dreamiest avocado and change lives while you're at it?

At **Mikhman Produce**, every avocado you order isn't just fresh — it's part of a real story of hope, transformation, and joy across Africa.

Grown With Care, Delivered With Heart 

In proud partnership with **One Acre Fund**, we're supporting over 5 million smallholder farmers across 10 countries in Africa.

Together, we're planting dreams — more than 100 million avocado trees (and counting)!

Thanks to **Armela Farms**, our avocados travel with love and care — from lush orchards to your doorstep — fresher than ever!

And the best part? Thanks to **Noon UAE**, they reach you in as little as 15 minutes.

Meet the Farmers Behind Your Fruit

John Joseph Munga
Kenya

"Selling to Tupande and One Acre Fund helped me expand my orchard. Every fruit harvest is a step closer to building a better future for my family."

Mukabaramwe Odette
Rwanda

"Growing avocados changed my life. Today, I pay my children's school fees — and I even bought a cow! Every harvest brings hope."

A Small Bite, A Huge Impact

When you choose **Mikhman Produce** avocados, you're not just treating yourself
You're supporting farmers, families, futures.
So go ahead: slice, mash, savor and know you're making a difference with every bite.
